## Rick's Remarks

In relaxation, I like working crossword puzzles. I try to work the whole puzzle without looking at the key. (Cavella never looked up the answers because she considered that to be cheating.)

Yesterday I worked a whole puzzle on my own. It took years to be able to do that.

Life is that way.

In our early years, we struggle to figure out who we are and what our place is in the world. Life is a crossword puzzle.

Later in life, and with God's help, we begin to figure out the puzzle of life.

It is fulfilling to do so.

...but of little value unless we are assisting others who have not yet figured out their own "puzzles."

*Walt Dobson*

### N.K.B.A. Night with Reds

Thanks to Randy Profitt for organizing the NKBA Night with the Reds. The July 30 game against the Braves was a sellout. The game was followed by fireworks. Congratulations to the young man from West Covington Baptist Church who got a foul ball that Laynce Nix (#17) hit into the area!
