Rick's Remarks

Several areas of Christian activity that contribute to church health cost nothing.

- ◆ Friendliness that begins with the pastor and infiltrates the congregation.
- ◆ An attitude of happiness in the Lord that permeates every corner of the building.
- ◆ A “Can Do” spirit that relies on God to use His people in great ways.
- ◆ An excitement based upon what God has done in history and what He can do in the future, if we trust Him.
- ◆ A focus on the possibility of changed lives, marriages, and relationships through Christ.
- ◆ Celebrating the promise of Heaven for every believer.
