Rick's Remarks

Just returned from a Lifeway update and heard a great statement. "People aren't looking for a *friendly church*, they are looking *friends*." If you want to see a person come to Christ, then become his/her friend.

There is still a place for tracts, door-to-door, and revivals. Yet, if you really want to see someone come to Christ, first become a friend to the person, thus winning the person's trust.
